Dear Parents,

Greetings from Pawar public School, Hinjewadi.

Hope all your family members are safe and secure, staying indoors.

Pursuant to the subject GR and the directive therein, I am pleased to inform you that, Fee increase for the Academic year 2020-2021, applicable to our school is rolled back as per our commitment to you. However the Revised fee structure, as approved by the EPTA on 20th, September, 2019, will be applicable for the Academic year 2021-2022.

Accordingly , for this Academic year, our fees structure is rolled back to that of 2018--2019 which is as under :

Quarter 1	Rs -16,000/-
Quarter 2	Rs. -16,000/-
Quarter 3	Rs.-16,000/-
Quarter 4	Rs.-16,000/-
Total	Rs.-64,000/-

Such of those parents who have already paid their 1st quarter fees can make the adjustments while making the second quarter fees payment –the adjustment will be informed to you.

You are all aware that our school is an unaided institution. We are reserving 25 % of the seats for pupils under the Right to Education Act for economically backward and socially disadvantaged pupil.

We understand your concern due to the ongoing pandemic situation.

A humble request to all those parents who have not paid the fees for the first quarter to make the payment.

I am sure you understand that fees is the only source of the school's income and your kind gesture will help the school meet all its financial obligations like payment of salary to staff, statutory payments, payment to various service providers like housekeeping, security, Electricity, annual Maintenance contracts and so on.

Regards,
Principal
